

# Lifestyles Malaysia “Believe” Tour

## Believe It! Two NMDs are promoted to IMD rank in seven days after the “Believe” Tour.

The Lifestyles “Believe” Tour hosted in Malaysia by Senior Vice President Paul Kramer was a great success. At the event Paul spoke to Distributors by saying, it all starts with the word believe. **If you believe in yourself, believe in Lifestyles and its products you will succeed!**

At Penang, special guests in attendance from the Philippines were GMD Peng Mendoza, GMD Jun Igot, GMD Kristine Todino, GMD Angie Liwanag and IMD Marilou Arellano. GMD Peng Mendoza, the winner of the 2012 *Founder’s Award* spoke about the power of belief. Peng said that if you believe in yourself, you can achieve your goals. She then went on to challenge the NMD ranks to make a commitment to reach IMD level by November of 2012. Her challenge was met by NMD Tracy Tay Siew Chan and NMD Wan Shahril Bin Wan Salim who, both committed to achieving this status within her timeline.

**Seven days after the “Believe” tour wrapped on September 27, 2012 both Tracy and Wan achieved IMD status. What an incredible achievement for Tracy and Wan! We would like to say congratulations to both of them.**

We also want to thank all of our Distributors who attended the “Believe” tour meetings. Everyone came away with the positive notion of the word *believe* and the belief that you can accomplish anything!
